

astar.AStar.search

```
graph LR; A[astar.AStar.search] --> B[astar.AStar.reconstruct_path]
```

A diagram showing a call from the `astar.AStar.search` method to the `astar.AStar.reconstruct_path` method. The `astar.AStar.search` box is shaded gray, and the `astar.AStar.reconstruct_path` box is white. A blue arrow points from the search box to the reconstruct_path box.

astar.AStar.reconstruct_path
